Insurance Council Reports About Health Insurance

Some 132 million Americans—73 per cent of the civilian population—had health insurance at the end of 1960, the Health Insurance Council said today in reporting the results of its 15th annual survey on the extent of voluntary health insurance coverage in the United States. The survey is based on reports from insurance companies, Blue Cross-Blue Shield, and other health care plans.

The council said both the number of persons covered by some form of health insurance and the amount of benefits paid reached new highs last year. Coverage increased by 4.1 million during 1960 to reach a total of 131,962,000 persons.

Benefit payments by all health insuring organizations to help cover the cost of hospital, surgical and medical care amounted in 1960 to more than \$4.8 billion, up \$500 million over 1959, said the Council. In addition, persons with loss-of-income policies received \$839 million in benefits from insurance companies to replace income lost through disability.

Thus, a grand total of \$5,688,000,000 in health insurance benefits were distributed during 1960, up 10.1 per cent over 1959.

The HIC, a federation of eight insurance associations, said that based on early trends for 1961 it estimated that as of June 1, some 134 million persons (74 per cent of the civilian population) had hospital expense insurance, 123 million had surgical expense insurance, 89 million had regular medical expense insurance, 31 million had major medical expense insurance, and 42.5 million were insured against loss of income, or had some other formal sick leave pay arrangement.

The council said these figures also revealed the breadth of health insurance protection which Americans have. The organization said that as of June 1, 92 per cent of persons with health insurance had both hospital and surgical expense insurance, and 66 per cent had hospital, surgical and regular medical expense insurance, which helps pay for doctor visits for non-surgical care. Five years ago, the figures were, respectively, 85 and 52 per cent.

A breakdown of the number of persons with health insurance at the end of 1960, by type of coverage and type of insuring organization, is as follows:

Hospital expense insurance was provided by insurance companies to 78,885,000 persons; by Blue Cross - Blue Shield and similar groups to 58,050,000, and by other health care plans to 5,542,000. After deducting persons protected by more than one type of insuring organization, the council reported that 131,962,000 persons had hospital insurance, a 3.2 per cent increase over the 127,896,000 persons so covered at the end of 1959.

Surgical expense insurance by insurance companies covered 75,305,000 persons; by Blue Cross-Blue Shield and similar groups 50,281,000, and by others 6,573,000. Allowing

Group Continues Friday Services

The Brotherhood of Temple Menorah will continue to conduct Friday night services in the absence of the temple's spiritual leader Rabbi Henri E. Front.

Scheduled to deliver sermons during services in August are Myer Alpert and Dr. Morris Rockenmacher. Musical portions will be sung by Cantor Harry Newman who will be accompanied on the organ by Mrs. Newman.

Rabbi Front will return to Los Angeles from his trip to Europe and Israel on August 14, and will be back in the pulpit Friday evening, August 18th.

for duplication, 121,045,000 persons had surgical insurance.

Sermon on 'Love' Churches Feature

Continuous benefits are available to all through a fuller comprehension of God as Love. This idea was enlarged upon at the Christian Science Services Sunday in Lesson - Sermon entitled "Love."

Highlighting the sermon on this subject was the Golden Text from Zephaniah (3:17), "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing."

"If we love one another, God dwelleth in us, and his love is perfected in us." This assurance of God's love toward us from John's first epistle continues, "Hereby know we that we dwell in him, and he in us, because he hath given us of his Spirit. . . . God is love; and he that dwelleth in love dwelleth in

Churches Feature

God, and God in him" (4:12, 13, 16).

Mary Baker Eddy, the Discoverer and Founder of Christian Science, writes in "Science and Health with Key to the Scriptures," "At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil. Clad in the panoply of Love, human hatred cannot reach you" (p. 571).

Society Extends Appeal for Funds

The St. Vincent de Paul Society is extending its annual appeal for camp funds into August in order to send more boys to summer camp, Msgr. James E. Dolan, director, said today.

The society operates St. Vincent de Paul Ranch Camp for boys aged 8 to 12 years in the Granada Hills area of the Santa Susana Mountains and relies upon public contributions for camp support.

Donations in any amount can be sent directly to St. Vincent de Paul Camp Fund, 1400 W. Ninth St., Los Angeles 15.

Youngsters from communities throughout the Torrance area will benefit.

Lutheran Church Holds Summer Bible School

The annual Vacation Bible School of First Lutheran Church, corner of Carson and Flower Street, Rev. William J. Roleder, pastor, will be held August 7-18 from 9 to noon, Monday through Friday. Youngsters between the ages of 4 and 13 are invited to attend.

The theme for the lower grades will be "Jesus Our Savior" and the theme for the grades 4-8 will be "God's Holy Law." The 27 members of the staff have been well versed in the subject material and are eagerly looking forward to sharing the message with the children.

In order to cover the expenses of this school, the Board of Christian Education, under the leadership of Mr. Milton H. Carlson, has decided to charge \$1.50 per student for the material to be used. This has enabled them to purchase many fine filmstrips that will assist the children to comprehend the message that is being taught. There will be handicraft, part of which will be learning to understand the Christian symbols, for all ages.

The school, under the directorship of the Intern Pastor, John Wilker, extends an invitation to the public to share this excellent opportunity for spiritual growth with the members of First Lutheran Church.

Church Presents Dramatic Film About Communism

"A Christian in Communist China," a dramatic, color film, will be shown at the Harbor City Foursquare Church, 254th and Belle Porte, in Harbor City on August 6 at 7:30 p.m. said the Rev. Marion Piles.

"A Christian in Communist China" is a timely, true-to-life drama of a Christian leader and how he faces imprisonment, torture, death, yet remains true to his calling when the retelling of the Resurrection Story gives him new life and courage.

The story is excitingly real and colorful as it is portrayed against the back drop of Hong Kong and the outstanding settings photographed on the Communist Border.

The general public is invited to attend the showing of this film.
